## ACCESS PANELS

## BESPOKE CEILING AND WALL ACCESS PANELS

# NON STANDARD CEILING AND WALL ACCESS PANELS

### NON FIRE RATED

ACE Ceiling Products are recognised as one of the leading Design-Manufacturers of bespoke ceilings in the UK.

ACE's speciality is working together with Architects, Designers and Contractors to achieve the concept required.

Using latest CAD design and manufacturing technology and with our depth of knowledge and expertise within the ceiling industry ACE can offer the complete service from concept to completion.

Shown here are a small selection of projects undertaken by ACE where access was an important factor within the design.
